

A NEW YEAR MESSAGE FROM OUR PATRONS, ALAN & SANDRA BUCKLEY

Hello everyone and on behalf of Sandra and myself can I start by wishing you all a happy New year and let's hope that we can finally return to some kind of normality soon. 2020 was a hard 12 months for us all to get through with lockdown and isolation and I'm sure we all missed meeting each other and our families. We were blessed with our 4th grandchild in March and it's amazing to think how time has flown and how much we've missed him growing. It has highlighted how much we tend to take for granted those moments and how precious they are and how they help to bring a little sunshine to those dark times. Zoom meetings are all well and good but for someone like us who hate technology they can't replace a good old face to face get together, so with that in mind we're looking forward to that first chance for a coffee and a chat and a chance to start raising funds again for a charity close to our hearts.

HEADWAY ROTHERHAM NEWS!

After eight years our Chair, Rob Stanton has decided to step down. Under Rob's effective leadership Headway Rotherham has successfully developed and expanded the services it provides. His vision has been to make sure nobody who has sustained/or affected by a brain injury is left unsupported through a lack of help of any kind. He has freely given his time to provide a much needed counselling service. His good judgement and his calm balanced perspective will be greatly missed by the management team of Headway Rotherham. The needs of our members have always been at the centre and he leaves Headway Rotherham in a good place to meet those needs for many years to come

Thank you Rob

We also say goodbye to 2 of our committee members. Audra Stanton and Tim Halksworth who are stepping down. Thank you for all your hard work, you will be missed.
